

# SIDEWINDER™ SOLO SERIES

## Single-Head Manual Textile Press

### FEATURES

- Sidewinder Solo can be configured as a one-color tabletop or stand-mounted press
- Solo can also print oversize and all-over designs and—when equipped with a vacuum pallet system—it can print flat stock
- Solo's printhead can be removed from its base and added to a Sidewinder 4-color manual press

**Sidewinder Solo Tabletop Model**

Sidewinder Solo is M&R's low-cost modular system for a wide range of screen printing applications. It's a single-head version of Sidewinder, the world's best entry-level manual press. Built with M&R's rugged construction and innovative design, Sidewinder Solo can be used as a tabletop one-color press or mounted on a floor stand. It can also be equipped with a vacuum pallet system for printing flat stock or with an extra-wide screen holder and pallet for printing oversize and all-over designs. In addition, Sidewinder Solo's printhead can be removed from its modular base and added to a four-color Sidewinder to expand the Sidewinder's color capacity.

Sidewinder Solo includes numerous proven design features, including a compact, strong, and stable base; a precise micro-

registration system; and a three-point pallet leveling system. Side screen clamps are standard, and allow a maximum screen width of 66 cm (26"). The optional wide side clamps allow a maximum screen width of 127 cm (50"), making it possible to print oversize and all-over designs when the press is combined with the floor stand and an appropriately-sized printing pallet.

All equipment from The M&R Companies is built with M&R's unsurpassed attention to detail and commitment to quality, durability, innovation, and design excellence, and is backed by M&R's unparalleled 24-hour access to service, support, and premium parts. It's no wonder M&R is the first name in screen printing equipment.

# SIDEWINDER™ SOLO SERIES

## STANDARD FEATURES

### PALLET SYSTEM

- Precise three-point pallet leveling system
- Standard sizes are interchangeable with M&R automatic presses
- Tool-free quick release pallet locks

### REGISTRATION

- Micro-registration with zero set point guides
- Multi-axis registration with dual off-contact adjustment
- V-Guide locator system

### SCREEN CLAMPS & HOLDERS

- Heavy-duty side screen clamps are fully adjustable, simplify roller frame use, and accommodate a wide range of screen sizes up to 63.5 cm (26") wide

### SPRING TENSION SYSTEM

- Accommodates a wide variety of screen types, sizes, and weights

### WARRANTY, SERVICE & SUPPORT

- 24-hour hotline is staffed 365 days a year
- Access to M&R's Training Center
- Parts & supplies are available online at [store.mrprint.com](http://store.mrprint.com)
- Two-year limited warranty

## OPTIONS

### FLOOR STAND

- Allows free-standing use
- Can be combined with an oversized pallet to produce huge prints

### JACKET HOLD-DOWN PALLET

- Allows the printing of lined jackets, reversible/double layer mesh-type jerseys, and other multi-layer garments

### PALLETS

- M&R offers a wide range of sizes and styles

### SCREEN CLAMPS & HOLDERS

- Wide Side Screen Clamps allow use of screens up to 127 cm (50") wide
